

Thank you Mahesh ji 🙏

Let's see how we can be effective for the first part. Now let me give you some context. Though I need around 7-10 gift packs/ goodie bags for the promotional campaign in Quebec. I also need a few more packs for my mentors in different parts of the world. These are all business owners, with a perfect safety track record and have a lot of reputation in the world of Microlight flying. 'Having them as partners, really is invaluable and important for me. I wish share their respective tee sizes very soon.

2. [Tabor Coates & Airflo – Flybluecollar Aviation](#)
3. [Michael Hudetz – Chicago](#)
4. [Rob Hibberd – Airborne](#)
5. [Larry Mednick – Revo Flight School](#)
6. [Abid – Silverlight Aviation](#)
7. [Paul Hamilton -Lake Tahoe](#)
8. [Armin - Hawaii](#)

My business model includes three verticals and I would like all those three clearly visible on my logo. The main three items which must come are weight shift trikes, gyrocopters and the Canadian alpinists. I would really appreciate if you can help me in designing the logo, business card.

So the goodie bag will include one cap with the logo, one key chain and one tee and one brochure cum greeting card. So when we send it out must have logos of all the partnering friends/ businesses. A short description about Whistler Sky Sports, founders picture and background,

From the samples you have shared, these are ones which I like and would like to proceed with.
